**Councillors Present:**

**Cr Steven Stefanopoulos, Mayor**

**Cr John Chandler Deputy Mayor**

**Cr Jami Klisaris**

**Cr Sally Davis**

**Cr Judy Hindle**

**Cr Marcia Griffin**

**Cr Matthew Koce**

**Cr Melina Sehr**

**Cr Matthew Koce**

**Council Officers Present:**

**Jacqui Weatherill**

**Chris Balfour**

**Greg Curcio**

**Stuart Draffin**

**Cath Harrod**

**Rick Kwasek**

**Alexandra Kastaniotis**

**David Taylor**

**Judy Hogan**

The meeting began at 7:01pm.

## **1 Reading of the Reconciliation Statement and Affirmation Statement**

Good evening and welcome to the City of Stonnington Council Meeting of Monday 19 October 2020.

I'm Councillor Steve Stefanopoulos, Mayor of the City of Stonnington

These meetings are an important way to ensure that the democratically elected Councillors, work for the community in a fair and transparent manner. Council business is conducted in accordance with Council's Governance Rules and must be open to members of the public in accordance with the Local Government Act 2020. However, as outlined in The Act, Council may decide the meeting, or part thereof, be closed to members of the public, if Confidential Business is to be discussed.

We are committed to doing whatever we can to protect the health and wellbeing of our community, staff and visitors. Due to the unprecedented circumstances arising from the current State of Emergency and State of Disaster due to COVID-19, and on the advice of health experts, we have made the difficult, but necessary decision, to temporarily change the way we run our Council Meeting this evening.

Tonight's Council Meeting has been relocated from the Council Chamber in the Malvern Town Hall, to our respective homes or offices, to ensure that social distancing is observed at all times, and is being broadcast over the internet via our website.

Whilst we have undertaken extensive planning for this virtual on-line meeting, there always remains the risk of technical issues arising beyond our control. If we experience a technical issue tonight, we will adjourn the meeting for a short time to try and resolve the issue. If the issue cannot be resolved and the meeting cannot continue, then we will adjourn to a later date, and details of the future meeting will be made available via our website as soon as possible.

We are working to keep our community safe during the COVID-19 outbreak and are closely monitoring the situation.

In accordance with the Local Government Act, Councillors must formally declare any conflicts of interest in relation to any items listed on the Agenda at the start of the meeting, and immediately prior to the item being considered.

### **About this Meeting**

The Agenda for this meeting, lists all the items to be discussed under 'General Business'. Each report is written by a Council Officer and outlines:

- the purpose of the report;
- relevant information and;
- a recommended decision for Councillors.

Councillors will consider the report and either accept, reject or make amendments to the recommendation. Council decisions are adopted if they receive a majority vote from the Councillors present. The casting vote by the Mayor may only be used if there is an equal division of votes amongst Councillors present.

A Councillor may call for a Division, which will formally record the names of individual Councillors opposing or supporting a motion, and Councillors who are absent or who are abstaining from voting.

### **Meeting Agenda**

To help you follow proceedings, the Meeting Agenda, recommended motions and Councillors' proposed alternate motions (also known as 'yellows'), are displayed on an adjacent screen.

### **Live Webcasting**

Council Meetings are streamed live and recordings are usually available on our website, within 48 hours.

The Mayor, Cr Stefanopoulos read the following reconciliation statement:

*We acknowledge that we are meeting on the traditional land of the Boonwurrung and Wurundjeri people and offer our respects to the elders past and present. We recognise and respect the cultural heritage of this land.*

The Mayor, Cr Stefanopoulos read the following Affirmation Statement:

*We are reminded that as Councillors we are bound by our Oath of Office to undertake the duties of Councillor in the best interests of the people of the City of Stonnington and to faithfully and impartially carry out the functions, powers, authorities and discretions vested in us under the Local Government Act and any other relevant Act.*

## **2 Introductions**

The Mayor, Cr Stefanopoulos introduced the Councillors and the Chief Executive Officer, Jacqui Weatherill. Ms Weatherill then introduced the Council Officers.

The Mayor, Cr Stefanopoulos noted that as this was the last Council meeting of the current Council's term some speeches would be now made.

Cr Sehr spoke regarding Cr Chandler's 38 years of service on Council. It was noted that Cr Chandler had been through 20 Council elections and was leaving as a winner.

Crs Koce, Stefanopoulos, Klisaris, Davis paid tribute to Cr Chandler's time on Council.

Cr Hindle spoke in regard to former Cr Atwell and paid tribute to his outstanding work on Council during his term.

Cr Chandler thanked Councillors for their kind words and noted it was a privilege to serve on Council for over 38 years. He was the longest serving Councillor in Victoria. Cr Chandler thanked all Councillors and wished them all the very best for the future.

The Chief Executive Officer, Jacqui Weatherill made the following address to Council.

Tonight is the last meeting of this Council.

I would like to take the opportunity to thank the Councillors for their service over the past four years, and reflect on the achievements of Council during this time.

Notwithstanding the economic shock triggered by COVID-19, this Council leaves Stonnington in a stronger and more sustainable position than it was four years ago.

While Council's response to the pandemic was substantial, the ability to deliver this support was only possible thanks to Stonnington's strong fiscal position. Prudent financial management has long been a hallmark of Stonnington, and never has this been more important than in our community's greatest hour of need.

It meant we were able to roll out a \$5 million business support package, while continuing to deliver critical community services and still plan for future growth.

And it meant Council was able to provide financial, logistical and personnel support to communities hit hard by the devastating bushfires of last summer.

This financial strength enabled Council to deliver over the past four years on the four pillars of the current Council Plan: community, liveability, environment and economy.

Councillors can be proud to have created opportunities to bring our community together, implement a long-term strategic policies and invest in infrastructure to ensure Stonnington remains one of Australia's premier municipalities.

The pandemic has shown how important open space is to liveability, and over the past four years Council has invested strategically, from tiny pocket parks to Prahran Square, to accessible playgrounds, new sports facilities, walking and cycling paths.

With our parks, gardens, trails and bike paths experiencing record usage over the past six months, we can be confident this sort of investment will reap significant social, community and health benefits for years to come.

The past four years have also seen much-needed investments in our aquatics, tennis and netball facilities, upgraded sports pavilions, and planning for new facilities.

This Council has advocated on affordable housing, homelessness, sustainability, waste, traffic, public transport, cycling, and ensuring the community benefits from major transport projects.

I would also like to acknowledge Council's strong endorsement of the need to accelerate our emissions reductions by declaring a climate emergency earlier this year. Our Climate Emergency Action Plan includes actions we're taking to respond to this.

Notably:

- Council committed to purchasing 100 per cent of electricity supply from renewables from July 2021
- We installed electric vehicle echargers at Prahran Square carpark

- We saved 1.6 million litres of water at Prahran Aquatic Centre
- We planted 1,981 trees and 23,660 plants
- We adopted permeable paving that capture water to irrigate our parks
- We expanded our kerbside waste service to include food waste.

These initiatives will stand as strong legacy of this Council.

I would like to personally thank Councillor John Chandler and former Councillor Glen Atwell, who both announced they would not be contesting this election.

John was appointed our first Deputy Mayor, was also Stonnington's first Mayor in 1996, and has been a passionate and dedicated representative of his community for many years. I wish Glen and his family all the best and I am sure we will see him continue to serve in public life in the future.

I would also like to thank Director of Planning and Place, Mr Stuart Draffin, for nearly two decades of service to the City of Stonnington and, before that, Prahran.

Stuart has been a valued part of the leadership team and has been instrumental in helping shape the contemporary Stonnington.

He has worked closely with numerous mayors, councillors and CEOs, and has provided fearless and experienced advice on significant strategic planning issues, and has always done so with characteristic humour, candour and integrity.

Stuart is widely respected across the planning development community and will be missed by his team for his positive and inclusive leadership style.

Finally, I thank all Councillors for the way in which you have come together, on behalf of our community, to lead our community through these difficult times.

The past year has shown what can be achieved when we come together.

This Council has much to be proud of in the past four years delivering for the community of Stonnington and I personally wish you all the best for the future.

Councillors expressed their appreciation for Mr Stuart Draffin, Director Planning & Place outstanding service over his time working for Council.

Stuart thanked Chief Executive Officer and Councillors for their kind words and noted he had enjoyed his time working for Council and had made a lot of friends. Proud to be part of the team. Acknowledge Alexandra Kastaniotis, Manager Planning as a great support. He noted he was looking forward to the next challenge.

### **3 Apologies**

There were no apologies for this Council meeting.

### **4 Adoption and confirmation of minutes of previous meeting(s)**

#### **4.1 Minutes of the Ordinary Council Meeting held on 5 October 2020**

MOTION:

MOVED: Cr Sally Davis

SECONDED: Cr Marcia Griffin

***That the Council confirms the Minutes of the Ordinary Council Meeting of the Stonnington City Council held on 5 October 2020 as an accurate record of the proceedings.***

**Carried**

## **5 Disclosure by Councillors of any conflicts of interest**

Item 14.3 3A & 3B Murray Street, Prahran Cr Klisaris declared a conflict of interest as she has an interest in a property in the vicinity of the proposed development.

## **6 Questions to Council from Members of the Public**

There was no Questions to Council from Members of the Public during the caretaker period.

## **7 Correspondence (only if related to Council business)**

Cr Davis tabled the following correspondence:

- Planning objection in relation to 138 Darling Road Malvern East

Cr Griffin tabled the following correspondence:

- Planning objection in relation to Item 14.1 Smyth Street, Toorak

Cr Hindle tabled the following correspondence:

- Planning objection in relation to Item 14.1 Smyth Street, Toorak
- Planning objections in relation to Item 14.3 Murray Street, Prahran

Cr Klisaris tabled the following correspondence:

- Two letters outlining electoral complaints.

## **8 Questions to Council Officers from Councillors**

Cr Sehr asked a question regarding the business grants which had been recently allocated?

The Chief Executive Officer responded that grants had been allocated and the program was progressing well.

Cr Davis asked a question regarding dumped rubbish near Gardiners Creek.

The Director Environment & Infrastructure noted that this would be attended to.

Cr Sehr asked a question regarding the recent hard rubbish collection service and how the pick up was progressing.

The Director Environment & Infrastructure responded that more than half the collection was being attended to and the trucks were working from East to West.

Cr Sehr asked a question regarding electoral material being affixed to the window of a vacant shop in High Street, Armadale and damage done due to graffiti.

The Director Environment & Infrastructure noted this would be attended to.

Cr Koce asked a question regarding the State Government Level Crossing Removal Project (LXRP) on Glenferrie Road and Kooyong Road and whether this would be a rail over or under

The Chief Executive Officer responded that this would be an issue for the new Council.

## **9 Tabling of Petitions and Joint Letters**

There was no petitions or joint letters tabled during this caretaker period.

## **10 Notices of Motion**

There was no Notices of Motion.

## **11 Reports of Special and Other Committees - Informal Meetings of Councillors**

The Chief Executive Officer tabled the Informal meeting of Councillors for the following meetings:

- Councillor Briefing Session 12 October 2020.

## **12 Reports by Delegates**

There was no reports of Delegates.

## **13 Urgent Business**

There was no urgent business for this Council meeting.

## **14 General Business**

### **14.1 Planning Application 0247/20 - 1 Smyth Street, Toorak**

MOTION:

MOVED: Cr John Chandler

SECONDED: Cr Matthew Koce

***That Council AUTHORISE Officers to issue a Notice of Refusal to Grant a Planning Permit No: 247/20 for the land located at 1 Smyth Street, Toorak under the***

**Stonnington Planning Scheme for construction of a multi-dwelling development in a General Residential Zone on the following grounds:**

- 1. The proposal, through its excessive height and scale fails to respect the neighbourhood character of the area and does not comply with the Neighbourhood Character objective (Clause 55.02-1) and the Design detail objective (Clause 55.06-1).**
- 2. The 10m height, being the maximum height allowed for a sloping site, and the proposed third storey are inappropriate for what is only a slightly sloping site and is out of keeping with the neighbourhood character.**
- 3. The proposal by virtue of its excessive scale and mass constitutes an overdevelopment of the land that fails to respond to the existing and preferred character of the area and is not in keeping with the incremental change area and Garden Suburban 1 Neighbourhood Precinct which calls for 1 and 2 storey development.**
- 4. The setbacks along the north side boundary are inadequate and the scale and mass of the proposal will detrimentally impact on the rear open spaces of the residences on Tashinny Road that back on to the proposal.**
- 5. The front setback is inadequate to comply with the neighbourhood character and fails to comply with the Street Setback objective (Clause 55.03-1).**

Cr Sehr foreshadowed that she would be moving a motion for deferral of the consideration of 1 Smyth Street, Toorak

MOTION:

MOVED: Cr Melina Sehr

SECONDED: Cr Sally Davis

***That consideration of Planning Application 0247/20 1 Smyth Street, Toorak be deferred for one Council meeting cycle.***

The motion for deferral was put to the vote

A Division was called by Cr Davis

For: Cr Jami Klisaris & Cr Davis

Against: Cr Steven Stefanopoulos, Cr John Chandler, Cr Marcia Griffin, Cr Matthew Koce, Cr Melina Sehr & Cr Judy Hindle

Absent: Nil

The motion for deferral was declared

**Lost**

The motion for refusal as moved by Councillors Chandler and Koce was put to the vote and declared

Carried

## 14.2 Planning Application 0973/19 - 136-138 Darling Road, Malvern East

MOTION:

MOVED: Cr Jami Klisaris

SECONDED: Cr Steven Stefanopoulos

***That Council AUTHORISE Officers to issue a Notice of Decision to Grant a Planning Permit No: 973/19 for the land located at 136-138 Darling Road, Malvern East under the Stonnington Planning Scheme for Construction of a multi-dwelling development in a General Residential Zone and Special Building Overlay, subject to the following conditions:***

1. ***Before the commencement of the development, 1 copy of plans drawn to scale and fully dimensioned, must be submitted to and approved by the Responsible Authority. The plans must be generally in accordance with the advertised plans (Drawings TP01-TP12 & TP-20-TP22, Rev A), and Council date stamped 27 May 2020 and Discussion Shadow Plans (Drawings TP13-TP19, Rev B) and Council date stamped 13 October 2020, but modified to show:***
  - a) ***Details of screening measures, including materials, dimensions and clearly demonstrating no more than 25% transparency through a sectional diagram must be submitted. Screening to limit overlooking in accordance with Standard B22 of Clause 55 must be provided to the following windows:***
    - ***East-facing bedroom window at first floor of Dwelling 4.***
    - ***South-facing bedroom window at first floor of Dwelling 4.***
    - ***North-facing Bedroom 3 window at first floor of Dwelling 4.***
  - b) ***Additional sight line diagrams to be provided for the south-facing first floor windows of Dwellings 2 and 3 to demonstrate no unreasonable overlooking or increase sill height to 1.7 metres above finished floor level, in accordance with the standard and objectives of B22.***
  - c) ***Increased setback to the south-facing first floor wall of Dwelling 4 to comply with Standard B17 of Clause 55, from the southern boundary.***
  - d) ***A notation on the plans that the existing vehicular crossing be made redundant and that kerb and channel must be constructed in its place to the satisfaction of the Responsible Authority.***
  - e) ***A notation to be included on the plans confirming double-glazing to all habitable spaces, windows and doors.***

- f) A notation to be included on the roof plan confirming the area (in square metres) to drain to the rainwater tanks.**
- g) Proposed access to the in-ground rainwater tanks for maintenance is required to be detailed on the plans.**
- h) A notation is to be included on the plans confirming a floor waste and tap to each private open space.**
- i) A notation included on the floor plans depicting the area between the external face of the ground floor garages and the north boundary of the subject land as “public access land”.**
- j) A notation included on the floor plans depicting the area between the external face of the ground floor garage and the east boundary of the subject land as “public access land”.**
- k) Any changes required by Conditions 3 (Landscape Plan, Condition 5 (Waste Management Plan) or Condition 6 (Sustainable Design Assessment).**

**All to the satisfaction of the Responsible Authority.**

- 2. The layout of the site and the size, levels, design and location of buildings and works shown on the endorsed plans must not be modified for any reason without the prior written consent of the Responsible Authority.**
- 3. Concurrent with the endorsement of plans, a landscape plan to be prepared by a landscape architect or suitably qualified or experienced landscape designer, must be submitted to and approved by the Responsible Authority. When approved, the landscape plan will be endorsed and will then form part of the permit. The landscape plan must be drawn to scale with dimensions. The landscape plan must be generally in accordance with the landscape concept plans submitted to Council, prepared by Plume and date stamped 27 May 2020, but modified to show:**
  - a) A planting schedule of all proposed trees, shrubs and ground covers, including botanical names, common names, pot sizes, sizes at maturity, and quantities of each plant.**
  - b) More robust and suitable planting (7 metre – 8 metre canopy trees) to be planted within the frontage, rear and southern setbacks of the development.**
  - c) The height of proposed landscaping within the north-west corner of the site (within the ‘visual splay area’) should not exceed a height of 900mm.**

**To the satisfaction of the Responsible Authority.**

- 4. Before the occupation of the development, the landscaping works as shown on the endorsed plans must be carried out and completed to the satisfaction of the Responsible Authority. Landscaping at ground, first and second floor including planter boxes, must then be maintained to the satisfaction of the Responsible Authority, including that any dead, diseased or damaged plants are to be replaced.**
- 5. Concurrent with the endorsement of plans, a Waste Management Plan must be submitted to and approved by the Responsible Authority. The Waste Management Plan must include:**

- a) **Dimensions of waste areas.**
- b) **The number of bins to be provided.**
- c) **Method of waste and recyclables collection.**
- d) **Hours of waste and recyclables collection.**
- e) **Method of presentation of bins for waste collection.**
- f) **Strategies for how the generation of waste and recyclables from the development will be minimised.**

**When approved, the plan will be endorsed and will then form part of the permit. Waste collection from the development must be in accordance with the plans, to the satisfaction of the Responsible Authority.**

6. **Concurrent with the endorsement of any plans pursuant to Condition 1, a Sustainable Design Assessment (SDA) must be approved by the Responsible Authority. Upon approval, the SDA will be endorsed as part of the planning permit and the development must incorporate the sustainable design initiatives outlined in the SDA to the satisfaction of the Responsible Authority. The report must be generally in accordance with the Sustainable Design Assessment (SDA) prepared by Ark Resources, Council date stamped 27 May 2020 and advertised in June 2020, but modified to include:**

- a) **Management**

- **The submitted Sustainable Design Assessment (SDA) must be 'finalised' from 'draft' form, to be accepted.**

- b) **Water**

- **Confirmation from the project Landscape Architect that the proposed planting meets the BESS criteria.**

- c) **Energy**

- **Preliminary NatHERS certificates to be provided of each thermally similar group to substantiate the commitment made within the SDA and figures entered into BESS.**

- d) **IEQ**

- **BESS credit 3.1 is claimed. A notation is to be included on the plans confirming double glazing to all habitable spaces, windows and doors.**
- **Shading: Adjustable external shading devices are not provided to all west facing glazing of habitable rooms (TH1 living and master bedroom). Adjustable vertical shading devices are to be used, which could be in the form of openable louvres, sliding shutters or external blinds.**

- e) **Stormwater**

- **A notation is to be included on the roof plan confirming the area to drain to the rainwater tanks.**

- ***As in-ground rainwater tanks are detailed on the plans, the proposed access to these tanks for maintenance is also required to be detailed on the plans.***

**f) Waste**

- ***A score of zero is achieved under this category within BESS and this is to be addressed by the applicant.***

**g) Urban Ecology**

- ***A notation is to be included on the plans confirming a floor waste and tap to each private open space.***

***All works must be undertaken in accordance with the endorsed Sustainability Management Plan to the satisfaction of the Responsible Authority. No alterations to the Sustainable Management Plan may occur without the written consent of the Responsible Authority.***

- 7. Prior to the occupation of the development approved under this permit, a report from the author of the Sustainability Management Plan, approved pursuant to this permit, or similarly qualified person or company, must be submitted to the Responsible Authority. The report must be to the satisfaction of the Responsible Authority and must confirm that all measures specified in the Sustainability Management Plan have been implemented in accordance with the approved plans.***
- 8. The project must incorporate the Water Sensitive Urban Design initiatives detailed in the endorsed site plan and/or stormwater management report.***
- 9. Prior to the endorsement of plans and prior to any development commencing on the site (including demolition and excavation whether or not a planning permit is required), a bank guarantee of \$3,045.00 must be provided to the Responsible Authority as security against a failure to protect the health of the Pyrus Calleryana (Callery Pear) street tree. Once a period of 12 months has lapsed following the completion of all works at the site, the Responsible Authority may discharge the bank guarantee upon the written request of the obligor. At that time, the Responsible Authority will inspect the tree(s) and, provided they have not been detrimentally affected, the bank guarantee will be discharged.***
- 10. Protection fencing must be afforded to the Pyrus Calleryana (Callery Pear) street tree at this location prior to construction works occurring. Fencing must comply with Section 4 of AS 4970 and form a 2m x 2m protection zone around the tree.***
- 11. No vehicular or pedestrian access, trenching or soil excavation is to occur within the tree protection zone without the written consent of the Responsible Authority. No storage or dumping of tools, equipment or waste is to occur within the tree protection zone.***
- 12. Prior to the occupation of the development, the permit holder(s) must at their cost construct the full length of the laneway (right-of-way) abutting the north boundary in accordance with a plan/design prepared by a suitably qualified Engineer and approved by Council's Infrastructure Unit. The works must be completed in accordance with the approved plan to the satisfaction and under the supervision of Council.***

13. ***Prior to a building permit being issued, a report for the legal point of discharge must be obtained from Council and a drainage design for the development must be prepared by a suitably qualified Engineer in accordance with all 'recommendations' and requirements contained in that report. All drainage must be by means of a gravity based system. The relevant building surveyor must check and approve the drainage design and ensure that protection of the building is provided from a 1 in 100 A.R.I. rainfall event as required by the Building Regulations.***
14. ***Prior to the occupation of the building or commencement of use, the existing vehicular crossing made redundant by the building and works hereby permitted must be broken out and re-instated as standard footpath and kerb and channel at the permit holders cost to the approval and satisfaction of the Responsible Authority.***
15. ***The applicant must at their cost provide a stormwater detention system to restrict runoff from the development to no greater than the existing runoff based on a 1 in 10 A.R.I. to the satisfaction of Council's Infrastructure Unit. Alternatively, in lieu of the stand- alone detention system, the owner may provide stormwater tanks that are in total 3,000 litres greater than those tanks required to satisfy WSUD requirements for the development. Those tanks must be connected to all toilets.***
16. ***Prior to the occupation of the building, the owner of the land must enter into an agreement with the Responsible Authority under section 173 of the Planning and Environment Act 1987 to covenant that it will:***
  - a) ***Allow free and unimpeded public access over the following "public access land" at all times:***
    - ***Land between the external face of the ground floor garages and the north boundary of the subject land; and***
    - ***Land between the external face of the ground floor garage and the east boundary of the subject land.***
  - b) ***Indemnify Council for any damage to the development by reason of, or in connection with, the use of the "public access land" by the public;***
  - c) ***Not make any claim for damages or loss of any kind against Council for damage or injury cause to the "public access land" or to any person using the "public access land";***
  - d) ***Maintain public liability insurance for the use of the public access land"; and***
  - e) ***Maintain the "public access land" in accordance with the endorsed plans and to a standard that is safe and fit for public access to the satisfaction of the Responsible Authority.***

***The agreement must be registered with the Registrar of Titles in accordance with section 181 of the Planning and Environment Act 1987 and will run with the land, including any common property that may be created as part of the subdivision of the land. All costs (including legal costs) associated with the preparation and review of the agreement and registration of the agreement on the Certificate of Title for the land must be paid by the owner.***

**Melbourne Water Conditions**

17. ***The finished floor levels of all dwellings must be set no lower than 31.7 metres AHD which is 300mm above the applicable flood level.***
18. ***The finished surface levels of the garages must be set no lower than 31.0 metres to AHD which is the applicable flood level at that location.***
19. ***All open space areas must be set at natural surface levels.***
20. ***The driveway must be set at the natural surface level except for minimal fill required for ramping up into grades.***
21. ***A 1 metre setback must be provided along southern and northern boundaries to convey overland flows.***
22. ***A minimum 3 metre setback is required at the front of the property which must be set at natural surface levels.***
23. ***All fencing must be of an open/paling style.***
24. ***No retaining wall or brick fence at the front of the property.***

**End Melbourne Water Conditions**

25. ***Prior to the occupation of the building, fixed privacy screens (not adhesive film or timber screens) designed to limit overlooking as required by Standard B22 of Clause 55.04-6 in accordance with the endorsed plans must be installed to the satisfaction of the Responsible Authority and maintained to the satisfaction of the Responsible Authority thereafter for the life of the building.***
26. ***All plant and equipment (including air-conditioning units) shall be located or screened so as to minimise visibility from any of the surrounding footpaths and from overhead views and shall be baffled so as to minimise the emission of unreasonable noise to the environment in accordance with Section 48A of the Environment Protection Act 1970 to the satisfaction of the Responsible Authority.***
27. ***All utility services to the subject land and buildings approved as part of this permit must be provided underground to the satisfaction of the Responsible Authority by completion of the development.***
28. ***Any poles, service pits or other structures/features on the footpath required to be relocated to facilitate the development must be done so at the cost of the applicant and subject to the relevant authority's consent.***
29. ***This permit will expire if one of the following circumstances applied:***
  - a) ***The development is not started within two years of the date of this permit.***
  - b) ***The development is not completed within four years of the date of this permit.***

***In accordance with Section 69 of the Planning and Environment Act 1987, a request may be submitted to the Responsible Authority within the prescribed timeframes for an extension of the periods referred to in this condition.***

**NOTES:**

- A. ***This permit does not constitute any authority to carry out any building works or occupy the building or part of the building unless all relevant building permits are obtained.***
- B. ***Nothing in the permit hereby issued may be construed to allow the removal of, damage to or pruning of any street tree without the further written consent of the Stonnington City Council. Contact the Council Arborists on 8290 1333 for further information.***
- C. ***Council has adopted a zero tolerance approach in respect to the failure to implement the vegetation related requirements of Planning Permits and endorsed documentation. Any failure to fully adhere to these requirements will be cause for prosecution. This is the first and only warning which will be issued.***
- D. ***The owners and occupiers of the dwelling/s hereby approved are not eligible to receive "Resident Parking Permits".***

**Melbourne Water Note**

- E. ***The estimated flood level for the property grades from 31.4 metres to Australian Height Datum (AHD) at the southern boundary down to 31.0 metres to AHD at the northern boundary.***

**End Melbourne Water Note**

- F. ***At the permit issue date, Section 69 of the Planning and Environment Act 1987 stated that the Responsible Authority may extend the periods referred to if a request is made in writing within the following timeframes:***
  - i. ***Before or within 6 months after the permit expiry date, where the development allowed by the permit has not yet started; and***
  - ii. ***Within 12 months after the permit expiry date, where the development allowed by the permit has lawfully started before the permit expires.***

Carried

## 14.3 Planning Application 0311/20 - 3A & 3B Murray Street, Prahran

8:42pm Cr Klisaris declared a conflict of interest as she has an interest in a property in the vicinity of the proposed development and left the room prior to discussion and was placed in the virtual waiting room.

MOTION:

MOVED: Cr Melina Sehr

SECONDED: Cr Steven Stefanopoulos

***That Council AUTHORISE Officers to issue a Notice of Decision to Grant Planning Permit 0311/20 for the land located at 3A & 3B Murray Street, Prahran under the Stonnington Planning Scheme for the construction of a dwelling on a lot under 500sqm within a General Residential Zone and Special Building Overlay, a reduction to the car parking requirement and removal of Party Wall Easement registered on Title***

**Plan 850166J Volume 08462 Folio 937 and Title Plan 850233V Volume 08007 Folio 022, subject to the following conditions:**

- 1. Before the commencement of the development, one copy of plans drawn to scale and fully dimensioned, must be submitted to and approved by the Responsible Authority. The plans must be generally in accordance with the Advertised Plans prepared by Kister Architects and Council date stamped 18 June 2020, but modified to show:**
  - a) The western-most bedroom at first floor set back in line with the rear façade of the property at No.3 Murray Street.**
  - b) The floor plans revised to show all services and/or structures clear of the drainage easement and right-of-way.**
  - c) The eastern elevation revised to show the deletion of the side gate proposed to enclose the right-of-way running along the northern boundary.**
  - d) A notation to state: 'If the existing linear control parking sign located adjacent to the northern splay of the vehicle crossing is to be relocated it must be done at the cost of the developer and to the satisfaction of the Responsible Authority'.**
  - e) The proposed balcony treated to limit overlooking to the west in accordance with the requirements of Standard A15 (Overlooking).**
  - f) A sectional diagram illustrating the first floor western-most bedroom window (facing north) will not result in overlooking to the existing courtyard of No.3 Murray Street. Where overlooking may occur, the window must be treated in accordance with the requirements of Standard A15 (Overlooking).**
  - g) A Plan of Subdivision showing the removal of the party wall easement.**
  - h) A Landscape Plan in accordance with Condition 3.**

**To the satisfaction of the Responsible Authority.**
- 2. The layout of the site and the size, levels, design and location of buildings and works shown on the endorsed plans must not be modified for any reason, without the prior written consent of the Responsible Authority.**
- 3. Concurrent with the endorsement of plans, a landscape plan must be prepared in accordance with the Landscape Plan prepared by Kister Architects, Council date stamped 18 June 2020. When approved, the landscape plan will be endorsed and will then form part of the permit. The landscape plan must be drawn to scale with dimensions.**
- 4. Before the occupation of the development, the landscaping works as shown on the endorsed plans must be carried out and completed to the satisfaction of the Responsible Authority. Landscaping must then be maintained to the satisfaction of the Responsible Authority, including that any dead, diseased or damaged plants are to be replaced.**
- 5. The project must incorporate the Water Sensitive Urban Design initiatives detailed in the endorsed site plan and/or stormwater management report.**

6. ***Prior to the occupation of the building, fixed privacy screens (not adhesive film) designed to limit overlooking as required by Standard A15 of Clause 54.04-6 in accordance with the endorsed plans must be installed to the satisfaction of the Responsible Authority and maintained to the satisfaction of the Responsible Authority thereafter for the life of the building.***
7. ***Prior to the occupation of the building/commencement of use, the walls on the boundary of the adjoining properties must be cleaned and finished to the satisfaction of the Responsible Authority.***
8. ***Prior to commencement of works, a report for the legal point of discharge must be obtained from Council and a drainage design for the development must be prepared in accordance with all 'recommendations' and requirements in that report prior to a building permit being issued. Protection of the building must be provided from a 1 in 100 A.R.I. event as required by the Building Regulations and all drainage must be by means of a gravity based system.***
9. ***All utility services to the subject land and buildings approved as part of this permit must be provided underground to the satisfaction of the Responsible Authority by completion of the development.***

**Melbourne Water Conditions**

10. ***The dwelling must be constructed with finished floor levels set no lower than 17.01 metres to Australian Height Datum (AHD), which is 300mm above the applicable flood level of 16.71m to AHD.***
11. ***The garage must be constructed with finished floor levels set no lower than 16.6 metres to Australian Height Datum (AHD), which is at the applicable graded flood level at the location of the garage.***
12. ***The Studio must be constructed with finished floor levels set no lower than 16.9 metres to Australian Height Datum (AHD), which is 300mm above the applicable graded flood level at that location.***
13. ***Prior to the issue of an Occupancy Permit, a certified survey plan, showing finished floor levels (as constructed) reduced to the Australian Height Datum, must be submitted to Melbourne Water to demonstrate that the floor levels have been constructed in accordance with Melbourne Water's requirements.***
14. ***All open space within the property must be maintained at natural ground surface levels with the exception of minimal ramping into the garage, and must be kept clear of all permanent structures (i.e. sheds, retaining walls, raised garden beds or water tanks with the exception of open style fencing).***

**END Melbourne Water Conditions**

15. ***This permit will expire if one of the following circumstances applies:***
  - a) ***The development is not started within two years of the date of this permit.***
  - b) ***The development is not completed within four years of the date of this permit.***

***In accordance with Section 69 of the Planning and Environment Act 1987, a request may be submitted to the Responsible Authority within the prescribed timeframes for an extension of the periods referred to in this condition.***

16. ***This permit will expire if one of the following circumstances applies:***

- a) ***The removal of easement is not certified under Section 6 of the Subdivision Act 1988 within two years of this permit.***
- b) ***The removal of easement is not registered by the Registrar of Titles within five years of the date of certification.***

***The Responsible Authority may extend the period referred to for certification if a request is made in writing before the permit expires or within three months afterwards.***

**NOTES:**

- A. ***This permit does not constitute any authority to carry out any building works or occupy the building or part of the building unless all relevant building permits are obtained.***
- B. ***Nothing in the permit hereby issued may be construed to allow the removal of, damage to or pruning of any street tree without the further written consent of the Stonnington City Council. Contact the Council Arborists on 8290 1333 for further information.***
- C. ***At the permit issue date, Section 69 of the Planning and Environment Act 1987 stated that the Responsible Authority may extend the periods referred to if a request is made in writing within the following timeframes:***
  - i. ***Before or within 6 months after the permit expiry date, where the development allowed by the permit has not yet started; and***
  - ii. ***Within 12 months after the permit expiry date, where the development allowed by the permit has lawfully started before the permit expires.***

Carried

8:44pm Cr Klisaris returned to the Council meeting from the virtual waiting room.

## 14.4 Annual Report 2019-20

MOTION:

MOVED: Cr John Chandler

SECONDED: Cr Melina Sehr

***That Council:***

1. ***ENDORSE the Annual Report 2019-20.***
2. ***NOTE that the Annual Report 2019-20 fairly represents Council's operations, financial position and Council's performance for the 2019–20 financial year.***
3. ***NOTE that the Annual Report 2019-20 will be submitted to the Minister for Local Government within the required timeframe announced for 2020-21.***
4. ***NOTE that the Annual Report 2019-20 meets the requirements of the Local Government Act 1989.***

**5. NOTE that the Annual Report 2020-21 will be prepared in accordance with the Local Government Act 2020.**

Carried

**Other General Business**

The Mayor tabled the Mayoral Calendar of Events for the Mayoral year

Cr Griffin noted she wished to make a personal statement under Other General Business:

*Firstly I want to say what a challenging year it has been for our city--for families, businesses the young,old-everyone.*

*The impact of the covid lockdown has changed the lives of so many and I feel deeply concerned for the many people who have shared their financial, emotional and psychological struggles with me. Council will need to keep working on innovative solutions to accelerate the recovery in our city.*

*As this is the last meeting of this council*

*I have greatly appreciated the opportunity to represent our community over the last 4 years*

*I want to thank all council staff who have been a tremendous assistance in the last 4 years.*

*I have had so many questions and you always responded courteously and promptly.*

*Thank you to Jacqui as CEO –you have faced many challenges and I have appreciated your support*

*I want to thank Crs Hindle, Atwell and Davis for their courage in working towards a more transparent and accountable council including the live streaming of our meetings which in itself has enabled our community to be better informed about council*

*We have an extraordinary community that deserves a leading edge/best practice council.*

Cr Klisaris noted she wished to make the following personal statement under Other General Business:

*I want to thank all the council staff for their hard work over the past four years in contributing to Stonnington which is such a well-run council. COVID is horrifically challenging but council has been there to support the community, and will continue to do so as our community recovers.*

*This role is a real honour and a privilege, the sacrifice we make to serve the community is not possible without the support of our partners and families.*

*I want to highlight that this has been a particularly challenging four years. I want to talk about women in local government because individual councils don't talk about this enough. ALGWA has been passionate about achieving gender parity in local government for a very long time. Unfortunately this year only 38% of candidates are women, and although this is a 4% increase from four years ago, this is not good enough. At this rate it will take another 12 years to get to 50/50 if we continue to see a 4% increase at each election.*

*I speak to a lot of women across the local government sector, as well as women from outside the sector who have been interested in running for their local council. Many women tell me that they decide not to run for council, and the biggest reason for this is because a lot of women are subjected to harassment, abuse and bullying.*

*I am one of those women who has experienced horrific behaviour which goes beyond what is expected from the role. Female councillors have resigned throughout this council term as a result of abuse, harassment and bullying committed either by members of the community, or their own colleagues. Many women exit politics because of this.*

*There needs to be a change in local government to stop this behaviour and make it a comfortable and safe place so that women can feel encouraged to run for council.*

*The actions of some people in our community is not acceptable. I tabled emails earlier in this meeting, which refer to me as a "bogan lawyer" and the man says to me that "my dog has more common decency than you", "you are an incompetent fool", "even my dog was embarrassed at your performance last night". These are just some of the comments I have received, and these are only from two emails. There have been comments on social media from residents threatening to protest at my house, I've had over 50 letters shoved into my letterbox, and these actions make you feel unsafe in your own community and demonstrate a real breach of privacy.*

*Residents and candidates have been persistently trying to find where I live, which is an unacceptable breach of privacy as we are entitled to enjoy our community in private.*

*We are seeing these behaviors play out during the election as well, but I want to be clear that this isn't just about the election, this happens throughout the entire term.*

*I would like to see more women run for local government, but there needs to be a real change in the sector so that there is somewhere that we can go to report these behaviors from residents in the community or colleagues. We don't want women to shy away from the sector or resign before the term finishes because they don't feel safe or can no longer tolerate the abuse, bullying and harassment.*

*I would like to see things improve over the next four years so that more women can run for council and we can get closer to achieving 50/50.*

The Mayor, Cr Stefanopoulos made the following personal statement under other General Business:

*It is frightening to hear such a horrific recount of events that have caused such anxiety and distress. I do not tolerate this type of disgusting, offensive and outrageous behaviour in my personal nor professional life. And more so, it would never be tolerated in any professional workplace, which some of us belong to. Having vulgar racist and homophobic comments made, to my face, via email and in voicemail messages left on my phone, is revolting, and distasteful.*

*What is even more disturbing is being threatened to be run down by a "so called" community representative, who was driving away in his car, whilst I was standing out the front of the Malvern Police Station, talking to an elderly member of our community after a Council Meeting. These actions clearly reflect poorly on these individuals.*

## **15 Confidential Business**

There was no confidential business.

There being no further business the meeting closed at 9:04pm

Confirmed on 7 December 2020

.....

**CR KATE HELY, MAYOR**
