

Motherwell Street Reconstruction

Stage 1 – Hobson Street to Surrey Road

About the project

The City of Stonnington is upgrading Motherwell Street in South Yarra between Hobson Street to Surrey Road. The project will be completed in two stages, commencing at the Surrey Road end. Stage two works will commence at a date to be confirmed.

We recognise works of the nature will cause some inconvenience. Every effort will be made to keep disruption to a minimum and we thank you in advance for your patience and understanding.

Works

- » Renew bluestone kerb and channel
- » Improve drainage
- » Renew asphalt footpath
- » Reconstruct Cromwell Road/ Motherwell Street roundabout
- » Asphalt road resurfacing

Location

**Motherwell Street
(Hobson Street to Surrey Road)**
(see map overleaf)

When

April to September 2022
7am to 5pm (Monday to Friday)

Residents

During working hours the road will be closed and access to properties disrupted. Temporary parking permits are available when works affect access to your property.

To request a temporary permit please email the Project Manager, Travis Jenkins on tjenkins@stonnington.vic.gov.au

Motorists

Motherwell Street will be closed during working hours. A short-term closure of the Motherwell Street/ Cromwell Road intersection will occur to allow for the roundabout reconstruction works.

Pedestrians

Pedestrian access will be maintained at all times.

Parking

During construction on-street parking will be limited.

Roadworks and COVID-19

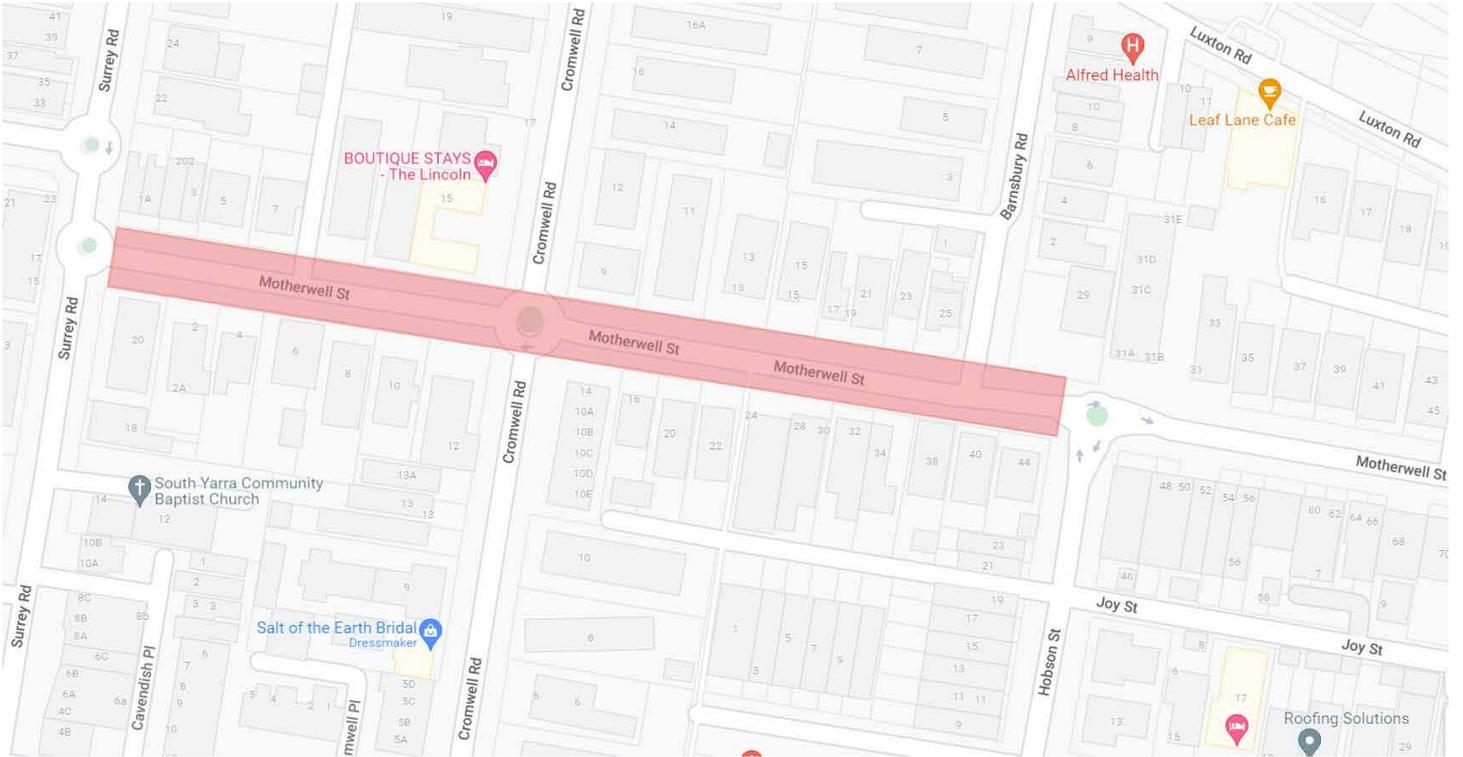

Under Victorian Government COVID-19 guidelines, civil construction projects are 'permitted works'. The works must follow a strict High Risk COVID-Safe plan. As the works are in the open air no other requirements are applied.

The High Risk COVID-Safe plan ensures all works are completed within strict health and safety protocols – including regular health screenings, social distancing, managing shared spaces, regular communication with residents, the wearing of face masks and strict hygiene protocols.

City of Stonnington supervisors will visit the site regularly to monitor adherence to the above requirements.
