Please call WM Waste on 9721 1915 to book your collection

No bookings will be taken after Friday 7 October 2022

PREPARE FOR COLLECTION DAY

- ✓ Please put waste in four piles. What to put in each pile is explained on the right
- ✓ Individual items must weigh no more than 20kgs
- ✓ Maximum 5 cubic metres of waste will be collected per property
- ✗ Please DO NOT put waste out any earlier than the weekend before your collection date
- ✗ Please DO NOT obstruct the footpath.
- ✗ Items placed out after the collection day will NOT be collected
- ✗ Items MUST NOT be longer than 1.5m (mattresses accepted)
- ✗ Please DO NOT park in front of the waste piles on collection day

These items **DO NOT** belong in the hard waste collection:

- ✗ building materials
- ✗ tyres
- ✗ batteries
- ✗ household garbage or recyclables
- ✗ hazardous materials or asbestos
- ✗ chemicals, motor oil, paint
- ✗ gas bottles
- ✗ wooden pallets

BEING GREEN IS GOING MULTI-COLOURED

If you've noticed new bins or bin lids appearing on your street, it's because we're changing bins and lids to match Australian Standard colours, and conform to the Victorian government's waste and recycling policy, Recycling Victoria: A New Economy.

We've already started tackling this huge changeover by replacing bins and lids to Australian Standard colours for new services and when replacing damaged bins.

A mass rollout of new lids and bins is planned for 2023 and we'll be contacting everyone about how we will manage the change closer to the date.

And, we're giving the old bins and lids a new life by recycling them.
