

# CAPITAL WORKS BULLETIN

## TOORAK PARK CRICKET FACILITIES & LANDSCAPE WORKS

BULLETIN 4 18 August 2020

This notice is to advise residents surrounding Toorak Park and Victory Square that due to the state government's decision to impose stage 4 restrictions, construction of new cricket practice facilities and landscape works will be put on hold until these restrictions ease.

The site has been made safe from the public and Council officers will be undertaking routine inspections to ensure it remains secure. Appropriate pedestrian management signs will also remain in place, in order to maintain public safety, we ask residents to follow these requirements.

Council are committed to delivering this project as quickly as possible and works will commence again as soon as these restrictions are lifted.

Works completed on this project to date include:

- Demolition of existing cricket nets
- Construction of retaining walls and benching out of curator's shed
- Installation of new drainage and services to new curator's shed
- Demolition of the obsolete light tower

Based on the government's current estimate of stage 4 restrictions easing in Mid September, it is expected that the project will now be completed by Mid to Late November. Further detail on the delivery program will be provided once these dates are confirmed.

We appreciate your patience and cooperation during this delay and hope to have the project up and running again as soon as possible. Contact information is provided below should you have any concerns or issues.

Yours Sincerely

**Simon McKenzie-McHarg**  
Landscape Coordinator  
Infrastructure & Landscape Projects

**NO GO ZONE:** As part of Worksafe and OH&S practices, parking and pedestrians will not be permitted in the fenced work zone.
