

Victory Square

Turf renovation works

The City of Stonnington is renovating the dog off-leash area at Victory Square to create a more durable lawn area. To renovate the parkland we will remove depressions, improve drainage, reduce soil compaction and create a lawn area that will flourish all year round.

We had previously advised the lawn area would be fully reconstructed, which would close the park for at least 16 weeks. Further investigation determined a turf renovation could be used, rather than a full reconstruction, which will close the park for eight weeks – less than half the time needed under the original plan.

The construction phase of the park renovation will take approximately two weeks, with an additional six weeks needed to allow the turf to put down roots and fully establish. During the six-week establishment period the site fencing will remain to protect the park from visitors and dogs and give the new turf time to establish.

We recognise closing the lawn area at Victory Square for eight weeks will be inconvenient. It is critical, however, that all pedestrians and dogs stay off the renovated lawn to give the new turf the best chance to thrive.

Every effort will be made to keep disruption to a minimum and we thank you in advance for your patience and understanding.

Works

- » Eradicate weeds
- » Scrape top layer of turf
- » Level surface, remove depressions
- » Improve drainage
- » Decomact and aerate soil
- » Adjust sprinkler system as required
- » Reseed lawn area

Location

Victory Square, Armadale
(see map overleaf)

When

20 June to end-August 2024
7am to 5pm (Monday to Friday)

Park visitors

During the park renovation works, Victory Square will be closed. Access to the Victory Square playground and Toorak Park oval will be maintained at all times.

Dog walkers

Victory Square will be unavailable as a dog off-leash area for the duration of the works.

There are off-leash parks nearby, including at Orrong Romanis Reserve on Orrong Road, Toorak and Armadale Reserve on Sutherland Road, Armadale.
