

Stonnington Disability and Access Committee

Volunteer Committee Member - Position Statement

What we trust you to do:

- Contribute to advancing outcomes which impact people living with disability, their families and carers in the City of Stonnington.
- Provide guidance and feedback on Council strategies and initiatives which impact on the lives of people living with disability, their families and carers.
- Collaborate with committee members to deliver inclusive practice initiatives through the committee structures of Council.
- Contribute to building and fostering a culture of inclusion in the municipality of Stonnington.
- Love living in the City of Stonnington and you are passionate about access and inclusion in the community.
- Share your lived experiences as a person who has a disability, or as a carer or family member of someone living with a disability.
- Participate and contribute to the planning and delivery of community engagement initiatives
- Communicate regularly with other committee members and Council officers in a timely way
- Be available for 5 meetings per year which will be via video conference and or face to face.

What we will do to support you:

- Provide a safe and welcoming environment where committee members will be encouraged and supported.
- Support opportunities for collaboration and professional development as required.
- Provide support/provisions as required to ensure members can engage with the work of the committee.
- Supply relevant information on specific projects to assist members in providing informed feedback.
