

Parking Permits

The City of Stonnington issues parking permits to residents with a disability who live within the municipality and have significant ambulatory or intellectual difficulties.

There are two types of permits for disabled persons:

- Category 1 (or blue) permits allow the vehicle to be parked in designated bays for disabled persons and allow twice the specified time in a time limited area.
- Category 2 (or green) permits do not allow the vehicle to be parked in designated bays for disabled persons, however these permits do allow vehicles to be parked in a time limited area for twice the length of time specified.

For further information contact Council's Service Centre on 8290 1333.

Access Stonnington Committee

The City of Stonnington has established the Access Stonnington Committee (ASC) to ensure the interests of people with disabilities and their supporters are represented and considered in the planning and provision of services to the Stonnington community.

These meetings are an opportunity to canvas opinion from the representatives about Council's universal access practices in regard to capital works, maintenance issues and service practices. It is also an opportunity for the residents to highlight issues that need to be brought to Council's attention.

If you would like to get involved in the ASC please contact Council's Disability Access Officer on 8290 1333.

Disability Services Directory

Council has produced a Disability Services Directory listing services that is likely to be used by those with a disability. For more information or to request a hardcopy of this directory, contact Council's Disability Access Officer on 8290 1333.

RECHARGE Scheme

An initiative designed to improve accessibility and convenience for wheelchair and communication aid users, the RECHARGE Scheme alerts the public of power points which can be used to recharge mobility and communication devices.

Identifiable by a circular 'Recharge Point' logo displayed out the front of businesses and at power points, affiliated locations are provided on this map. For further information or for RECHARGE locations in other precincts across Stonnington, contact Council's Disability Access Officer on 8290 1333.

Chapel STREET

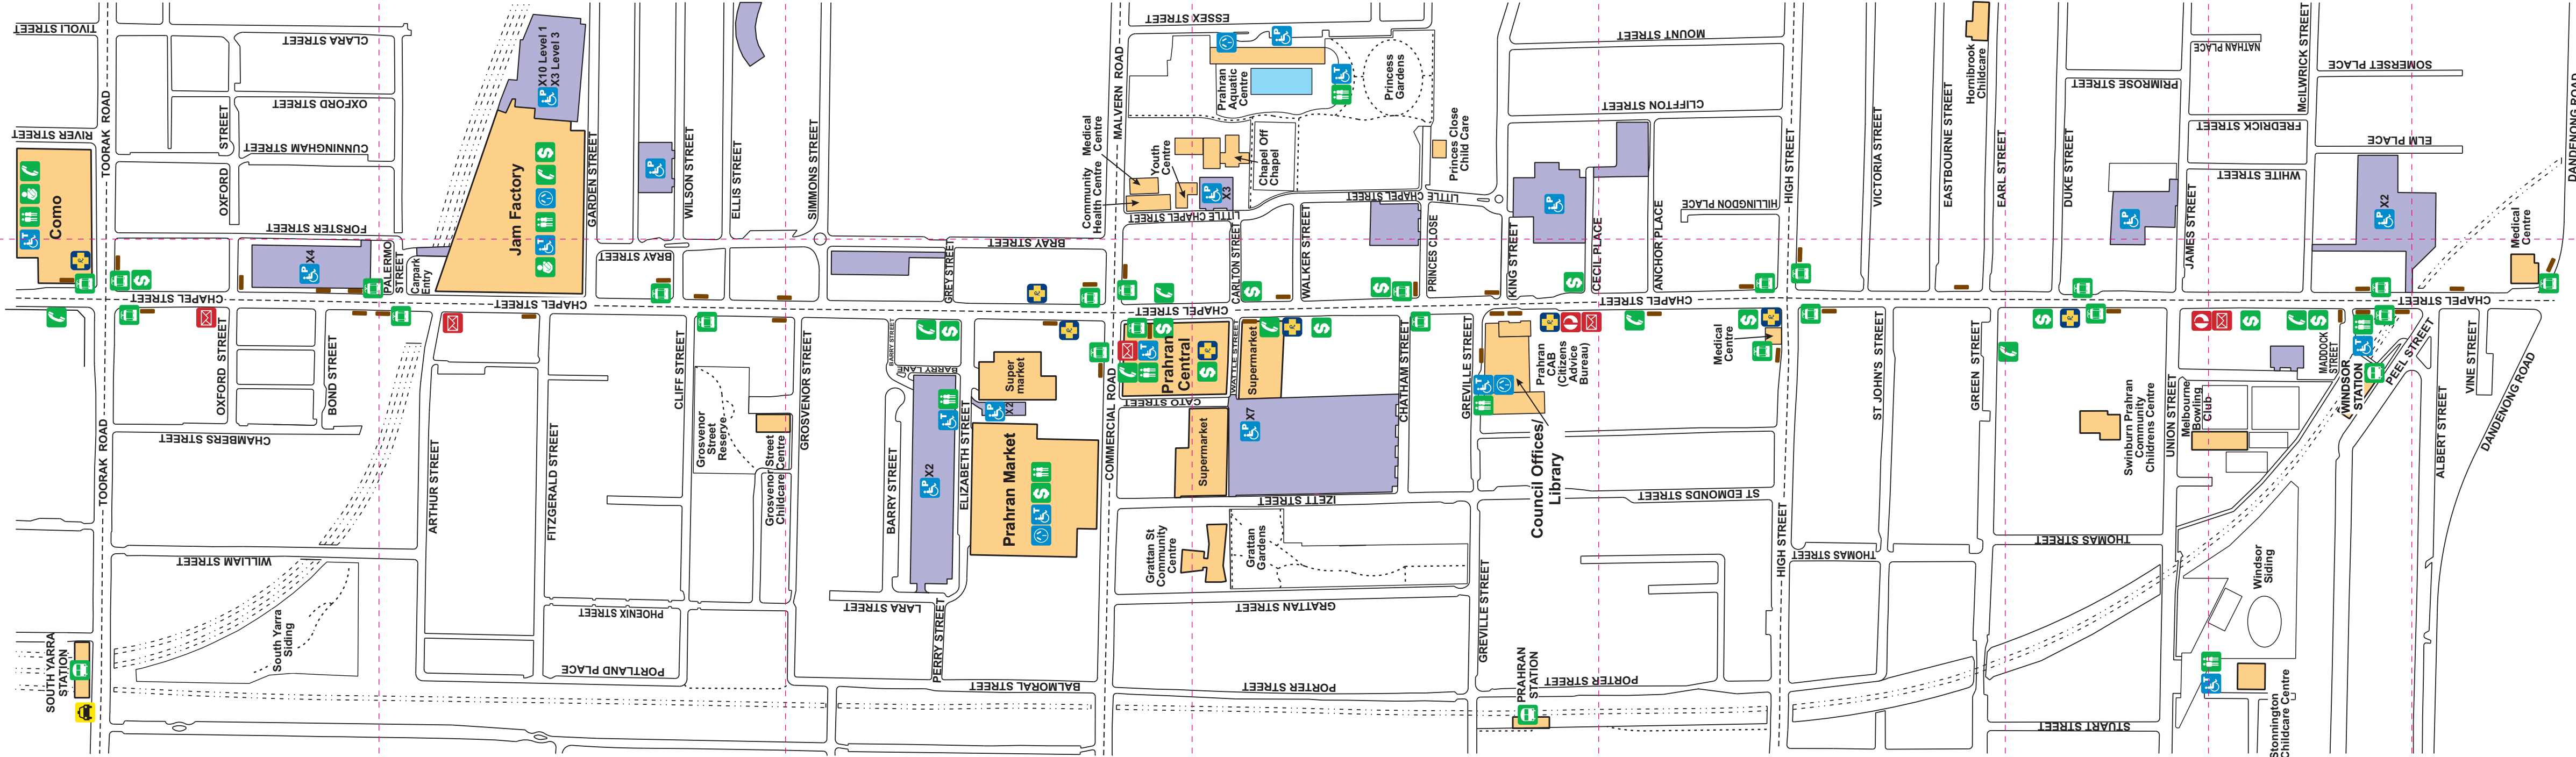

This access map provides information about access to services in the Chapel Street shopping precinct

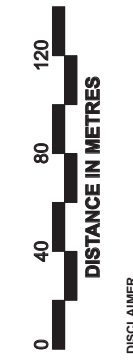

The City of Stonnington is committed to the continual improvement of its premises, facilities and services to ensure that they are universally accessible to all people.
