

Toorak Park pavilion and oval redevelopment and Lighting Upgrade

CONSTRUCTION UPDATE 01

JANUARY 23

PROGRESS TO DATE

It's been a busy first month of redevelopment works at Toorak Park. The site was secured behind temporary fencing at the end of 2022 and since then the main pavilion and lighting towers have been demolished and rubble removed.

The sports oval surface and other landscape elements have been removed and the reshaped, larger oval marked up.

Service relocation to accommodate the new buildings and facilities is also underway.

WHAT'S COMING UP

From February demolition of the cricket pavilion and ancillary buildings will get underway, and bulk earthworks for the new pavilion will commence.

Oval shaping and construction is also scheduled to start from early-February.

NEXT UPDATE

We will provide updates to all surrounding residents at major milestones throughout the project.

For more regular updates sign up to our eNewsletter at stonnington.vic.gov.au/tpp

WORK SITE RESTRICTIONS

In accordance with Worksafe and OH&S practices, pedestrian access within the work site will be restricted during the project.

PARK ACCESS

Toorak Park, the sports oval and areas within the construction zone are closed.

Victory Square, the park and playground remain open.

Working with you

The City of Stonnington and our contractors are committed to minimising the impact of our construction on local residents and the environment.

If you have any questions or concerns about the current works please contact Henriksen Contractors on 0418 539 190 or leave us a message online at stonnington.vic.gov.au/tpp
