

Stonnington Libraries

I Spy Bingo!

Explore the outdoors with your family and find out how many of these objects around your neighbourhood you can spot! See if you can find 4 in a row - up, down, across, or diagonal. Children can also draw a picture or write a story about their walking adventure! If you would like to share your picture/story, you can tag @stonningtonlibraries on Happy hunting!

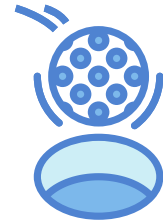

A cloud that looks like something

A dog

A magpie

A manhole cover

A red car

A snail

A tap

Cherry Blossom

A cat
