

How to make a

yarn bowl

What you'll need:

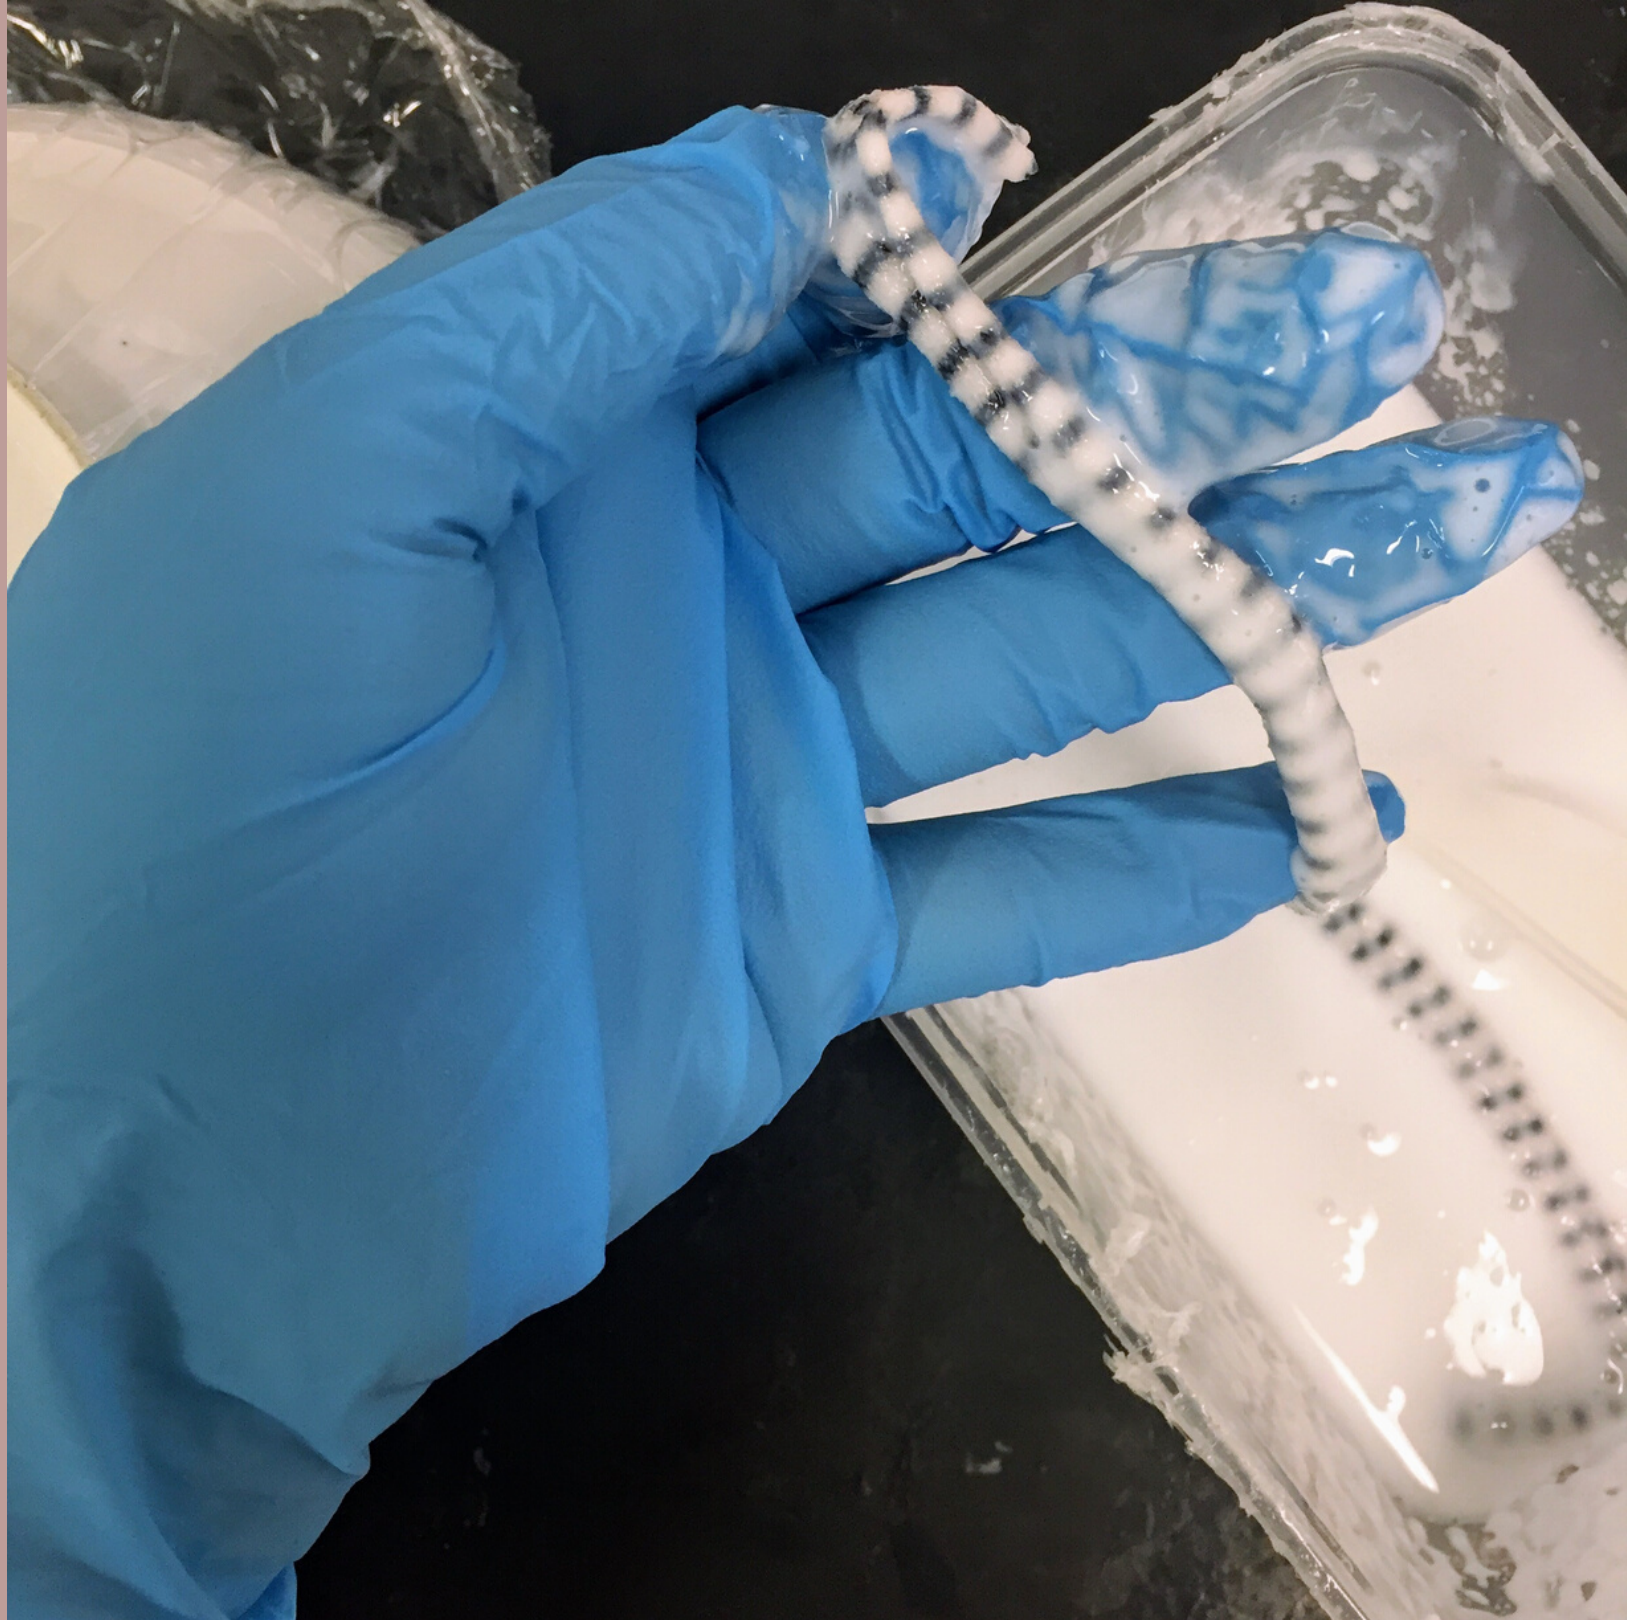

- **Bowl**
- **Plastic wrap**
- **PVA glue mixed with a dash of water**
- **Wool or fabric strips**
- **Rubber gloves**

- **Cover an upside-down bowl with plastic wrap**

- **Grab your glue and wool/strips of material**

- **Dip wool/fabric into glue and prepare to make a mess :-)**

- **Lay strips over bowl = make a mess**

- **Mix up the colours if you like**

- **Drying time will depend on the amount of glue and type of material used**
- **When dry it will lift easily from the base bowl**
