Sam was 14. He was the type of kid in your class that would win in everything but tests. Sam's little brother Alex was the exact opposite, he was 10 and a complete brainiac. Everyone says if those two kids work as a team they would be unstoppable, but they despise each other. So every year their dad takes them on a dudes weekend. A dude's weekend is a family bonding trip **without** mum!

So this year they went camping. "Ugh" said Sam angrily "I mean I love the fact that we are going camping but do I really have to go with Alex?" "Yes" said his dad calmly "this is the whole point of the trip". "Dad I feel sick". "Oh come on Alex you can't get out of dudes weekend that easily" said his dad.

So when the clock struck 12 they were off. A few hours later they arrived, Alex rushed out of the car screaming "where is the bathroom". "Behind the tree" said Sam, "where I can't see it"? "It is the tree you nimwit" said Sam aggressively. An hour and a half later they were done setting up the camp, all they needed to do now was build a campfire. So their dad sent them off to get some firewood.

Snap, Crackle, Crunch Alex rushed behind Sam, "you scaredy cat it's just the wind" said Sam bravely, then he heard a rustle on the ground. "Who's there"? he said. Then a pair of glowing red eyes appeared in the bushes. "RUN" shouted Sam. "He's after us" whispered Alex.

As soon as they got back their dad was gone. "BOO" said their dad touching each of their shoulders. "Ahh" they both shouted "you scared us" said Alex. "Not me" said Sam trying to seem brave. When night fell Sam set off to capture the creature, but little did he know he was being watched.....by Alex.

Alex followed him and tapped Sam on the shoulder. Sam screamed "You nimwit why did you follow me here"? "I needed the bathroom" said Alex anxiously. "Fine, come with me but stay out of my way" exclaimed Sam. While Sam was searching, the red eyed creature bit Alex's leg. He was dying in pain.

Sam rushed to get their dad. As the sun rose they came back with a duffle bag. "You're finally came back" yelped Alex. "You're going to be OK" said Sam. Sam looked strange. He shushed everyone "he's back" he said. Sam shouted "let me at him, " he injured my

brother". But as soon as the creature leapt out, their dad swung a baseball bat at the creature and he flew straight off the cliff. You could hear him yelp out all the way down then an "OW" .

When we returned home we couldn't find mum. The phone rang and dad picked it up "mums in the hospital" he said "she was attacked by a vicious creature". It turns out that the "OW" at the bottom of the cliff was mum.
