

stonnington seedlibrary

Grow seeds at home

The Stonnington Seed Library helps you experience the joy of home growing.

Cultivate food and plants at home, share seeds, and build your gardening knowledge. Together, we don't just grow plants, we grow a community.

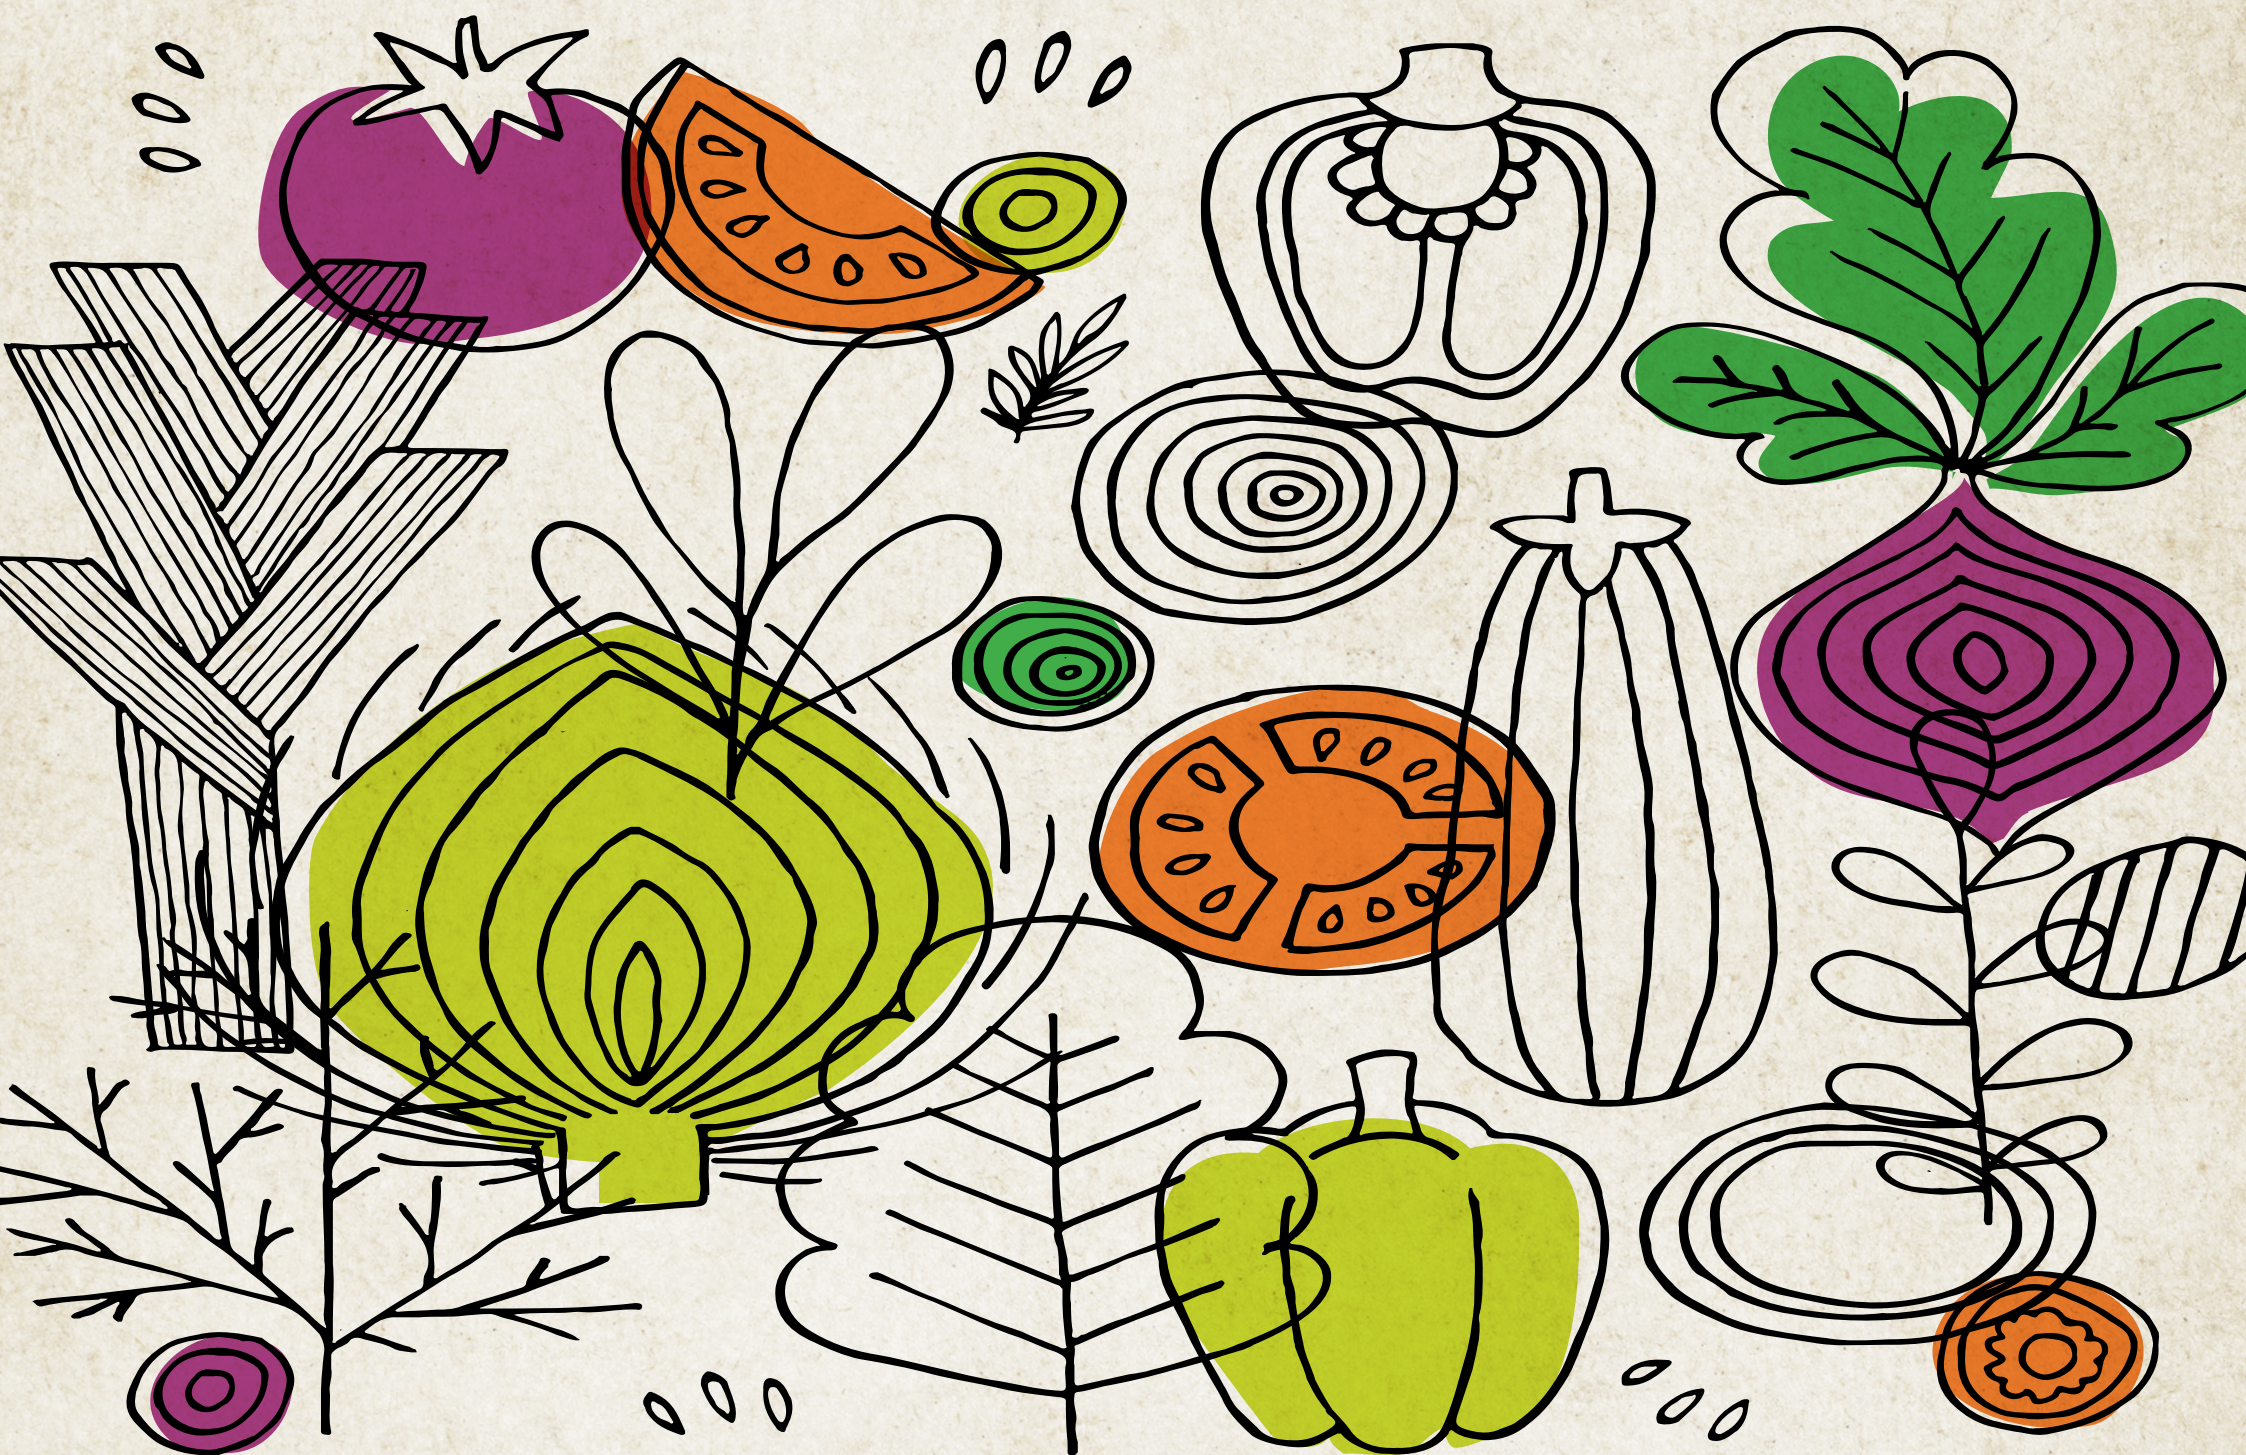

Library members can borrow up to three seed packets per month to plant and grow in their home gardens.

BORROW: Borrow up to three packets of seeds from Stonnington Libraries

GROW: Plant the seeds in your garden

COLLECT: Harvest seeds from your garden

RETURN: Return seeds to the library to share with others (optional)
